Present: Anna Mason, Jacob Post, Jason Philbrook, Stephen Hansen

Bellevue Street postponed until next meeting.

Richard Carver has talked to Tom Lutrell in regards to our Sewer bill from last fall. Our meter was broken and they averaged our bill from past readings. The bill is correct according to our contract. We need to pay our bill as is.

Jeff Labrozzi (Harbor Master) would like to go to the Harbor Master School on March 18 through March 20, 2015 in Castine. The Selectmen gave approval.

The Harbor Committee and Richard Carver have scheduled a meeting on March 19, 2015 at 6:30 PM. They are going to have regular meetings to go over all the waterfront issues. Richard Carver has talked to the Army Core of Engineering. We need to have waterfront access in order for them to do any dredging for us.

Budget Committee would like to meet with the Selectmen in regards to the Fire Department Budget. Pam is going to check with them and see if they can come to the next meeting.

Dave Matthews attended the meeting that Tilson Technology held at Rockland City Hall on February 25, 2015 for Broadband Internet. Rockland and some other towns are looking to do a study on Broadband internet in the towns and it would be cheaper for the study if more towns joined in. Dave Matthews is going to call Audra Caler-Bell to get a better idea on the cost of the planning stages. They can have a Special Selectmen's meeting later during the week to discuss the information that he gets.

Richard Carver called Dale Martin and left him a message in regards to Map 7, lot 95 to see if they are still interested in it. Date is coming up.

Linda Post made a motion to accept Harriet's request for vacation. Dave Matthews seconded it. All in Favor.

Sue Choate is going to retire from maintaining the Website for the Town. We need to find someone else to handle it.

Dave Matthews said that the Transfer Station Board will be meeting twice a month until the Employee manual is updated.
