He will be back in the office on Monday, May 4, 2015. He has an appointment with the State on Monday morning May 4th. If we need to get a hold of him during his trip home contact him through email.

Richard Carver mentioned the post at the Entrance to the Town Office got damaged during plowing this winter and asked the other two selectmen if it was okay for him to replace the post? They approved.

We had a complaint from a citizen about the intersection of South Shore Drive and Ash Point Drive, how fast people go through it. Richard Carver and Pam Curtis will write a letter to the Department of Transportation and see if the DOT can look at it.

Richard Carver mentioned the Ordinance Committee has met twice and they are doing a great job.

Waterfront Issue: Still waiting to here back from people. Richard Carver has been in touch with Georges River Conservation and they have given him a list of appraisers. They have been very helpful.

Richard Carver went over to City Hall, met with the Tom Luttrell and James Chaousis, II (City Manager) regarding the Owls Head Fire Department contracting with Rockland. They listened to what Richard Carver had to say. Richard left the letter with the figures from the Budget Committee with Tom Luttrell and James Chaousis, II. Nothing was decided at the meeting. Also the Budget committee has been in touch with other towns regarding the discount on paying property tax all at once and gave the figures to the Selectmen. The Selectmen have decided not to take any action on this discount matter at this time.
