

## PLANNING BOARD MINUTES

August 14, 2013

Board Members: Richard Benner, Larry Choate, William Leppanen, Dale Martin, Robert Pratt

Present: Jeff Northgraves, Ken Wexler, Claire Dean Perry, Dave Jenny, Bill Gerrish (from Stantec), Shane (from Stantec), Sue Choate

7:30 PM Meeting called to order.

Larry Choate made a motion to accept the minutes of July 10, 2013, William Leppanen seconded them. All in favor.

Richard Benner made a motion to table the two requests from Doug Johnson and hear them at the next Planning Board meeting. Doug Johnson's Lawyer Paul Gibbons could not attend. William Leppanen seconded it. All in favor.

Jeff Northgraves spoke first in regards to the Knox County Airport request. The people from Stantec will be presenting a plan for a new fencing project and 100 cubic yards of fill, etc. to create a crossing drive at Map 5 & 3 all being part of Map 5, Lot 1.

1. Access Road is 1000 square feet long and 18 feet wide. It will have regular asphalt driveway. It is going to be used for fuel trucks and utilities vehicles that aren't registered to be on the road.

Ken Wexler asked about the Wetlands and if they will be affected by this road. They said it wouldn't and they were scuffing up the sides for the water to drain down.

Richard Benner made a motion to accept the access road as presented. William Leppanen seconded it. All in favor.

2. Wildlife Management Plan. FAA requires that all airports do a wildlife management plan and it was done in time for a grant. They want to add to the existing fences around the perimeter with wildlife preserve fencing and netting.

Ken Wexler asked about the fencing with barb wire and if they were going to take it down? They said they couldn't take it down for a few more years because it was put up with a grant.

William Leppanen made a motion to accept the wildlife management plan as presented. Larry Choate seconded it. All in Favor.

Meeting adjourned.
