This ordinance is only applicable to the said Owls Head Cemetery. This ordinance, together with such rules and regulations as may be enacted by the County of Knox, the State of Maine and the federal government of the United States, as may hereafter be amended, are intended to assist in establishing and maintaining this cemetery as a peaceful and beautiful area, as well as a reverent symbol of respect for the deceased.

SECTION 3. BURIAL RIGHT EASEMENT IN AND TO LOTS

There shall be an official plot plan of the Cemetery on which all lots shall be numbered. This plot plan shall be recorded in the Knox County Registry of Deeds.

The right to be buried in the Cemetery shall be conferred by the granting by deed of a Burial Right Easement (hereafter Easement) from the County of Knox, which shall be in the form of Appendix A to this ordinance. All Easements shall be designated by lot number and shall give reference to the official plot plan. A person wishing to purchase an Easement shall apply to do so by completing a written application in the form of Appendix B to this ordinance, and paying to Town Treasurer the full amount of the lot easement and perpetual care price. Funds received from the applicant shall be held in escrow by the Town Treasurer pending receipt of a completed Easement Deed from the County of Knox. The funds held in escrow shall nonrefundable except as provided below.

Upon receipt of the completed application and payment the Town shall prepare an Easement Deed which may be signed by any one of the Selectmen on behalf of the Town. The applicant shall be notified that the Easement Deed has been prepared, and the applicant must sign the Easement Deed within fifteen (15) days of the mailing of this notification. Upon being signed by the applicant the Easement Deed shall be sent to the Administrator of the County of Knox to be signed. Upon being completed by the County Administrator, the funds paid by the applicant shall be disbursed from escrow and the Easement Deed shall be recorded in the Knox County Registry of Deeds. If the Easement Deed is not completed by the Town and County of Knox within thirty (30) days of receipt of funds, the funds shall be returned to the applicant and the application shall be treated as denied.

Easements shall be allocated as follows:
