(next to Owls Head Baptist Church parking lot)

Library Hours

Wednesday 7:00pm - 8:00pm (weather permitting)

This newsletter is to make the community aware of our library. Each newsletter printed will contain updated information on new book arrivals, new programs and the status of our grant programs. Also included will be community announcements and library request notices. This is very important because this is where the trustees and friends of the library will be calling on you for volunteer work, supplies or monies.

BUY A BOOK FOR A KID project is still going on! We have had a very good response so far and hope to continue this project until the end of November. If you have not purchased a book and would like to do so, there is still time.

THE FACILITY

The library has received the grant from MBNA for completion of the work to upgrade the facility and work has begun. The collection is being re-organized and maps to direct you to the different areas are posted. Once all books have been entered into the catalog system a computer print out will be available for location.
