

OWLS HEAD FUNDRAISER-OLD FASHIONED HAM AND BEAN SUPPER

April 29th at 5:30-7:00PM

Please come join the Owls Head Conservation Commission and the Georges River Land Trust for a delicious homemade meal at the Owls Head Community Building from 5:30 to 7pm on April 29th to benefit the Plaisted Preserve. As you know, the Town of Owls Head is the proud owner of the 9-acre coastal Plaisted Preserve. The Georges River Land Trust holds the conservation easement on the property ensuring it stays in conservation forever. Together they are raising money to earmark funds for the long-term stewardship of the property. The conservation easement, monitored annually by the Land Trust, safeguards public accessibility while also protecting the environmental resources of the Plaisted Preserve in perpetuity.

The Owls Head Conservation Commission and the Georges River Land Trust, joined by members of the community, will host a traditional bean supper to include baked ham, baked beans, coleslaw, biscuits, and dessert and coffee. In addition to the dinner, students of the Owls Head Community School will display artwork inspired by the Preserve. Members of the Owls Head Conservation Commission and the Georges River Land Trust will make a short presentation and be on hand to answer questions.

Dinner is \$10.00 for adults, \$8 for seniors and \$5 for children under 5, with proceeds to support the easement stewardship by the Land Trust.
